Overview

We have selected the Hahndorf Resort & Big4 as our home base for the nationals and have secured a whole section of the park for our attendees. Ring to secure your room early to ensure you don't miss out, please ensure you let them know you're a member of the Isuzu Bellett Nationals group. Details at the end of this document.

Hahndorf is an extremely popular tourist destination, with so much to see and do throughout the entire Adelaide Hills.

And yes, we know it is likely to be the AFL Grand Final weekend, but don't worry, we will be hosting a lunch on the Saturday prior to kick off so everyone can get into the footy final's mood. And for those who don't want to watch the footy, you can either keep mingling in our essentially private section of the park, or perhaps

join in on a round or two of mini golf. Or take the opportunity to meander down the main street of Hahndorf.

We are in negotiations with The Bend Motorsport Park to arrange a cruise around the 7.77km GT Circuit. How great would it be to say you've driven your Bellett around the second longest racetrack in the world? **This is NOT yet confirmed, but we are working on it!!**

We have arranged a photographer to be situated in various locations during our cruise and attending the Show & Shine on Saturday, your entry fee will include access to all high resolution images of your car.

The traditional welcome dinner on Friday night will be a great way to kick back and relax.

The awards dinner on Saturday night will be held in the Hahndorf Convention Centre, ideally located within the Hahndorf Resort Park, just a 5-minute walk from our cabins. Theme to be announced later!

For Sunday, we are liaising with the organisers of the Bay to Birdwood to allow a special group entry (currently the entries are full, but they are open to considering a group entry for Belletts)
